Once upon a time there were Three Bears.

    
They lived in a cottage in the woods.

     
Every morning they went for a walk.

      
They liked to walk while their porridge cooled.

      
Goldilocks was also in the woods.

     
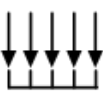

She saw the Three Bears cottage.

      
She knocked on the cottage door.

    
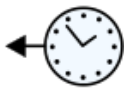

But nobody answered.

---

        
Goldilocks saw three bowls of porridge on the table.

   
She tasted them all.

       
Goldilocks liked Little Bears porridge best.

   
It was just right!

---

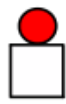

Next

she

sat

on

the

3

Bears

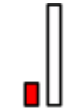

chairs.

She

liked

Little

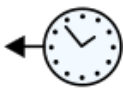

Bears

chair

best.

It

was

just right!

But

Goldilocks

was

too

heavy

and

the chair

broke!

Goldilocks

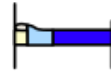

went upstairs

and

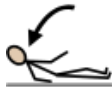

saw

3

beds.

She

tried

them

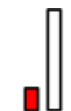

all.

She

liked

Little

Bears

bed

the

best,

it was just right!

Goldilocks

fell fast asleep.

Soon

the Three Bears

returned

from

their walk.

Daddy

Bear

said,

“Who’s

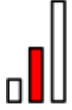

been eating

my

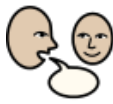

porridge!”

Mummy

Bear

said,

“Who’s

been eating

my

porridge!”

Little

Bear

said,

“Boo Hoo,

my

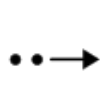

porridge

is

all gone!”

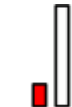

Then

they

saw

Little

Bears

chair

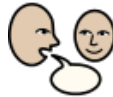

broken.

Daddy

Bear

said,

“Who’s

been

sitting

in

my

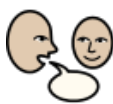

chair!”

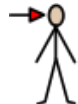

Mummy

Bear

said,

“Who’s

been

sitting

in

my

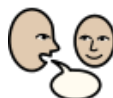

chair!”

Little

Bear

said,

“Boo Hoo,

someone's broken

my

chair!”

Upstairs

Goldilocks

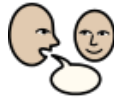

was sleeping.

Daddy

Bear

said,"

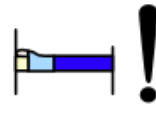

Who's

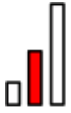

been sleeping in

my

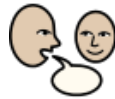

bed!"

Mummy

Bear

said,"

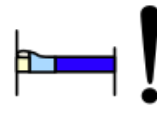

Who's

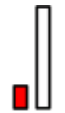

been sleeping in

my

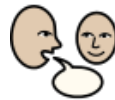

bed!"

Little

Bear

said,

"Boo Hoo,

someone's still in my bed!"

Suddenly

Goldilocks

woke up

and

saw

the

3

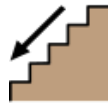

Bears.

She

ran

downstairs

and

into

the

woods.

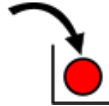

Goldilocks

never

went

into

the

woods

again.
